

## HQ Update - August 11, 2010

Well, the school year has officially arrived! I know a lot of the state has already started school and some of you haven't started just yet. I wish you all a very successful school year!

Let me jump right into some updates that I need to share with all of you.

**Fall Leadership Conference.** The Fall Leadership Conference is looking to be even bigger and better than previous years. With the addition of three competitive events, we are excited about the new opportunity that will be afforded to participants of the FLC. The Atlanta Marriott Marquis is excited about hosting us for another year and we are excited to see you there. The Fall Leadership Conference page, under Events and Conferences, on the Georgia HOSA website has all the details you need.

We have extended the deadline for registration. Rather than the previous deadline of September 17, we have moved it a week back to September 24 to give you a little extra time. Online registration will open soon.

Make sure to also get your rooms booked at the Marriott and keep the room confirmation number for you for each of the rooms you book. We will record that information upon conference check-in.

**JumpStart.** 4 days, 960 miles, and over 155 officers later, it's safe to say that our mission was accomplished with this year's JumpStart! Local chapter officers from across the state of Georgia came together to learn how to effectively engage their members, creative ways to recruit more members, innovate budgeting techniques and creating an effective program of work. These workshops were led by your Region Representatives with assistance provided by the State Officers.

As we enter this school year, please feel free to contact us if you need assistance. You can call us at 866.914.5378 or 888.9GA.HOSA.

Please also make sure you have the correct mailing address to ensure we get what you are sending. Please also share this with your bookkeeper. The only thing that will NOT come to Georgia HOSA is your membership money, that goes to National HOSA in Texas.
